

OPJIT/SIEPQM/2014/

Date: 11th March 2014

Dear Author/Researcher,

Sub: Special issue of our International Journal on Electrical Power Quality Management

We feel immense pleasure to introduce OP Jindal Institute of Technology (OPJIT) to you. OP Jindal Institute of Technology was established in the year 2008 under the aegis of Jindal Education and Welfare Society and is committed to impart quality education & groom budding technocrats to take up the future technological challenges of evolving India and to create an ideal society for the nation. It is promoted by Jindal Steel and Power Limited, India's fastest growing STEEL & POWER COMPANY and is a part of an industrial conglomerate of the US\$ 17 Billion Jindal Group. The Institute is imparting Value Based, Innovation Driven, Industry Linked, and Employment Oriented Engineering Education in Civil, Mechanical, Electrical & Electronics, Metallurgical and Computer Science & Engineering branches.

The institute publishes OPJIT International Journal of Innovation & Research-ISSN 2319-4340 bi-annually. It is an open access online peer reviewed journal containing research papers, review articles and case studies in the field of engineering, science and technology which emphasize new research and development for applications.

It is proposed to publish a special issue of the journal on "Electrical Power Quality Management" covering recent research work in Electrical Power Quality & Management.

In the present scenario power quality is one of the main concerns of electrical engineers in industries as well as domestic applications. Without the quality of power an electrical device may malfunction, fail prematurely, produce excess heating and give poor efficiency. Even one or two seconds of outage or a surge can bring a business down for hours or days.

Publication of this journal is an attempt to share the views, thoughts and new ideas of Scholars/Researchers related to the Electrical Power Quality Management. Papers for publication will be selected through peer reviewed to ensure originality, relevance, readability and quality.

We request you to submit your research papers for publishing in special issue of our International Journal of Innovation & Research before 31st May 2014. Manuscript can be submitted by e-mail to the Editor along with the Covering letter at: editor@opjit.edu.in. For more details and submission of manuscripts, please visit our site www.journal.opjit.org.

Thanking you,

With Regards,

(Dr R. D. Patidar)

Editor
